

Arizona Congressional District 4 Communities Benefit From LSTA Funds

Federal funds administered by the Institute of Museum and Library Services provide access to electronic resources and literacy programs for all Arizona citizens. In addition, funds are distributed to community libraries through competitive subgrants. In 2016, CD 4 libraries used LSTA awards to:

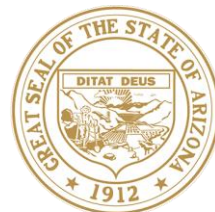

- Provide high quality educational resources for pre-K through 2nd grade children in Cottonwood.
- Establish a core collection for the new Paulden Public Library.
- Explore all aspects of entrepreneurship and digital literacy in Prescott Valley.

Paulden Public Library

Our goal is to help the older population in our community with digital literacy skills, job help, applications, just bringing them up to speed with digital literacy.
